Netto Cat 5—6 (HCP 26.5—36) - 1st & 2nd prizes

Highest PR step - 1st prize (netto scoring, cat. 6 players only)

Birdie Pot (5 CHF entry, optional) - split based on number of birdies. Payable when you pick up your scorecard from the secretariat before heading out for your first tee shot. Winnings distributed in the normal way during prize giving.

Please respect all signs at the venue w.r.t. Covid-19 restrictions; Everyone must have a bottle of disinfectant in their golf bag.

Rules on the day:

- Ensure your **name**, **HCP** and **home club** are correctly printed on both the Starting List and your Scorecard. **Report any errors to the secretariat on the morning of the tournament before going out on the course and have the scorecard corrected!** Otherwise the ranking list will be wrong, which can not only delay the Aperó but mistakes cannot be corrected later.
- Please be at the 1st tee **15 minutes** before your allocated t-time. To date I haven't given out penalty points for late arrivals but for frequent offenders this may start to happen this year—you have been warned :)
- **Matchplay is Stableford, therefore when out of shots pick up your ball** (scorecard shows number of shots).
- **Slow play = Late aperó. Keep up with the flight in front!** The round should not take longer than 4 hr. 30 min, especially as we play in flights of 3 persons. Your job on the course besides playing spectacular golf is to keep the flight in front in sight at all times.
- **When in any doubt about finding your ball—play a provisional.**
- **When in any doubt about rules—play two balls** (announce which is “chosen” before playing either in case both rules are deemed correct and also note the order of play) and confirm with the tournament director (either myself or Daniel) or the Secretariat when you come in off your round which is valid.
- **No electronic buggies/cars** to be used by any participants except those with valid medical certificates.
- “Jetons” for practise on the driving range can be purchased from the secretariat (not included in the price). **Trolley rental** can be done directly with the secretariat (not included in the price).
- **Food/Drinks consumed during the day (in advance of the Aperó & Dinner) will need to be paid for individually;**
- There will be an Aperó in advance of the dinner; drinks are included for this portion of the evening.
- Everyone has already selected their dinner options (I will have a list for those of you who do not remember on the day what you have selected); Drinks incl. water consumed during the dinner are not included and must be paid for individually.
- The Prize giving will be during the dinner. You have to attend the ceremony to claim your prize, otherwise it is forfeit and passed to the next eligible person in the ranking list.
- Having your HCP adjusted after a tournament remains the responsibility of the individual player. You will be able to download **the Ranking List** from the official home page from Monday 28th September. Stamped/ signed scorecards can be picked up after the Prize Giving from either Daniel or myself.
- Local rules—explanation on the 1st tee by the Official Starter
- **Directions:-** Address for the GPS: Moos 1476, Waldkirch 9205, CH
- **Most important rule for the day—Have Fun!** Any problems, last minute questions —contact me (reasonable hours please) 076 338 4521. I intend to arrive at the golf club at around 10am on Saturday morning.

Observations from past years and tournaments this year:

- Badly completed scorecards hold up the Aperó/dinner kick off time, can lead to player disqualification (marker and player) and increase the time people wait. You can take a second score card with you on the round to make any personal notes of scoring. Do not put this information on the official score card. Only record the number of strokes per hole (in the correct column).
- Be nice to our **Rabbits (HCP 36 or higher)**, it may well be their first tournament and they will probably be nervous. Flight captains please show consideration about questions for rules and any other open questions they might have during the round (without breaking any rules yourselves naturally!).
